

St Johns Medical Practice Staff Survey

Completed - December 2019
Re: Review - July 2020

AUDIT

16 Staff members were given an envelope and a blank staff survey to complete within 2 weeks
Staff were asked to put Envelope on managers desk / PSS box in reception
10 staff completed the survey
1 Staff member felt she wasn't here long enough to answer yet.
5 Staff did not complete

OUTCOME

A small percentage figure was presented as Neith agree / Disagree, Disagree Strongly and Disagree.

CONCLUSION

Discuss at all staff meeting on areas identified in RED on how we can improve in this area and what actions and changes we can make.
